

Clelands (Successors)Ltd.  
Yard No.77.

It is submitted the Newcastle Surveyors be informed that under the Rules at present in force, the butts referred to are required to be treble riveted. Provided, however, the Owners' consent be obtained the butts may be double riveted as permitted by Circular 1820.

30th April, 1945.

In this case the butts in question are the only items affected by the application of Circular 1820.
