VES NAME "SANDRA" (ex "Bethlehem") REPORT Ant. No. 24833

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

For conditions of class see previous endorsement.

Action is Deferred for equipment.

The ANTWERP Surveyors report (7.48) the vessel afloat and 2 bow anchors, as above, put on board and verified with Certificate.

It is submitted the vessel is eligible to remain as classed, subject to sternframe (E.W. & reinforced 5.46) being specially examined at the next dry docking, to permanent repairs to indented shell plating etc. (p & s), to deep tank being tested and O.F. overflow arrangements being completed and to bulwarks etc. (p & s) being dealt with at the first opportunity, to power anchor being replaced by one of Rule weight and test and to 45 fathoms of chain cable being supplied at the earliest opportunity, but without other condition.

As now, subject.
without.
