

# LLOYD'S REGISTER OF SHIPPING

PORT SAN FRANCISCO

December 28th, 1938.

THIS IS TO CERTIFY that

S. F. BOOMER

the undersigned Surveyor to this Society did at the request of Bethlehem Steel Company, South San Francisco, California, attend at their Plant and examined six (6) Angle Bars, 5" x 5" x 5/8" x 30', Heat No. 2 E 765 and fifty (50) Angle Bars, 2-1/2" x 2-1/2" x 3/8" x 30', Heat No. 2 E 073, Manufactured by the Bethlehem Steel Company, South San Francisco, and found sound and free from defects.

Test coupons as prescribed by the Rules were taken and mechanical tests witnessed with satisfactory results.

<u>ANGLE</u>	<u>HEAT NO.</u>	<u>TENSILE</u>	<u>BEND</u>
5" x 5" x 5/8"	2 E 765	71550	180°
2-1/2"x2-1/2"x 3/8"	2 E 073	69920	180°

These angles are intended for shipment to Manila, P. I. to the order of the Bethlehem Steel Export Corporation.
