ENCLOSURES.

9th May, 1939.

Dear Sir,

E. I duly received your letter of the 20th ultimo, with accompanying communication and enclosures received from Messrs. Menzi & Co., Inc., Manila, respecting the spare cooling water pump and fire extinguishing pump for the M.V. "MAMBUKAL", and in reply have to inform you that it will be in order for you to carry out the tests on these pumps as desired by the Owners.

The tests should, as far as practicable, verify the results obtained by the Makers when the pumps were tested by them, and a Certificate on Rpt. Form 10 should be issued on completion of the tests. A supply of these forms was sent to Mr. Nelson on the 8th March last, but I think it well to enclose a ^{few} further copies for your use.

I am, Dear Sir,

Yours faithfully,

E.R. Sanderson, Esq.,
MANILA.
