

m.v. "MAMBUKAL".

Proposed Re-Classification.

IT IS SUBMITTED the Manila Surveyor be informed that he will be in order in carrying out the tests on the spare cooling water and fire extinguishing pumps as requested by the Owners. The tests should, as far as practicable, verify the results obtained by the Makers, when the pumps were tested by them. A certificate on Rpt. Form 10 should be issued on the completion of the tests, and a supply of these Forms should be forwarded to him, as requested.
