The Secretary,
LONDON

Dear Sir,

S.S. "TIME"

In reply to the Classification Committee's letter of 29th April 1949, I have to submit the following recommendations.

"This vessel, as now seen, is in good condition, eligible in my opinion to remain as classed, subject to buckled tween deck plating and bulkhead plating etc. in Nos. 1 & 2 holds and tween decks (fire damage) to be dealt with before completion of Special Survey and to have fresh record of Docking 3,49.

Endorsement: "Shell plate C1 (s.s.) and indented shell plates etc. (p.s.a) to be dealt with at Owners convenience"

We would be pleased if you will amend our Report No. 22079 accordingly.

Yours faithfully,

THE SURVEYORS:
