10th September, 1912.

Dear Sirs,

Reverting to your telegram of the 6th instant relative to the new steamer "TIME", I beg to acquaint you that in accordance with your request a special survey has been held on the damage to this vessel by the Society's Principal Surveyors at West Hartlepool and at Middlesbrough, who have prepared a special damage report on the case which will be handed to your goodselves in due course.

I have to add that a request has been received from the Owners of the vessel, Messrs. The Howard Smith Co. Lim., for a copy of the damage survey report in question, and believing that this will have the concurrence of your goodselves, it is proposed to accede to the Owners' request after the report has been placed in your hands.

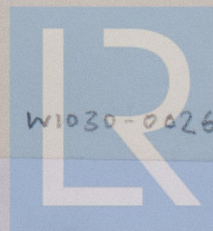

I am, Dear Sirs,

Yours faithfully,

Secretary

Messrs. J. Priestman & Co.,

SUNDERLAND.
