## Lloyd's Register of Shipping.

5th August, 1949.

S

Dear Sirs,

I have to acquaint you that in reply to enquiry regarding the Special Survey now due on the steamer "WARINA", the Calcutta Surveyors state that they have been informed by the Owners' Superintendents that the vessel is at present trading on the East African Coast and is expected to arrive at your port some time next month when arrangements will be made for her disposal.

Seeing that the Special Survey became due in October last, the Committee must ask for her to be inspected on arrival at Bombay unless she is sold at once for demolition.

Please keep me advised of any developments.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
BOMBAY.
