

20th June, 1949.

Dear Sir,

I shall be glad if you will ascertain, and let me know, what arrangements are proposed to be made for the Special Survey and Screwshaft Survey, which became due on the Steamer "WARINA" at the end of October and March last respectively, to be carried out.

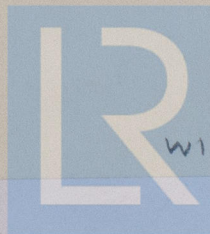

I may say that in reply to enquiry the Owners state that the vessel is employed entirely in Eastern waters and their Managing Agents at Calcutta, Messrs. Mackinnon Mackenzie, have been asked to attend to this matter.

Yours faithfully,

Clerk to the
Classification Committee.

R.E. Pritchard, Esq.,

CALCUTTA.
