

BOARD REPORT on the Trawler "William Marshall"

It is submitted a copy of the attached letter be sent to the Liverpool office & their attention be drawn to the last paragraph. The Surveyors should be requested to state if they know anything of the matter to which reference is made therein. They should be informed that the date of loss was 22 February 1949

Captain Jones, who is investigating the case for the Ministry, would like copies of all survey reports including and subsequent to the Special Survey held in 1945
