Dear Sir,

m/s "FRANCOIS TIXIER" - Capsized and sunk four miles north of  
Sheringham on 8th july, 1948.-

Messrs. Société Dunkerquoise au Cabotage, DUNKIRK, sent  
us over your letter of 4th August, asking us to reply to it, as we  
are acting as managers of this vessel for their account.

Consequently, and the total loss of the vessel being a  
matter of fact, please note that we do not see any objection to  
inserting a record of the circumstances against the vessel's name  
in the Register Book and to expunge the vessel's class from the  
Register Book at the same time.

Yours truly,

LE CHEF DE L'EXPLOITATION COMMERCIALE :
