m.v. "FRANCOIS TIXIER" ex "LITTLE EVY".  
-----

Dear Sirs,

E.

I duly received your letter of the 14th instant, forwarding certificates relating to the material for the vertical cross tube boiler intended for this vessel, and I have to acquaint you that these certificates have been examined and are considered satisfactory.

In the circumstances, the boiler could be accepted in this instance, provided the scantlings are found to be in accordance with the approved plan and a hydraulic test be carried out with satisfactory results.

The certificates in question are returned herewith.

I have to confirm the telegram which was sent to you to-day regarding this boiler, as per enclosed copy.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

ROTTERDAM.
