S.S. "UALAN".

1326.

With reference to the question raised by Messrs. Gray & Hunter as to the date of build recorded in the Society's Register Book and on the certificates of classification, it is submitted the Society's Surveyors at Amsterdam should be requested to ascertain from the Builders the actual date of launch of this vessel, and the date when she left the Builders' Yard to enter upon service.

FF.

The question of the Figure 1 for equipment is being looked into.
