

Stantling Nos.: - 37.63 & 5820
Proportions: Depths to Length: - 12.2

*Machinery
endorsement.*

1917,

S.S. "UALAN"

This vessel was built by Messrs. N. V.
Scheepswerf "De Maas" in 1917, and is stated to have been
classed with the Germanischer Lloyd.

If the vessel had been built to class with this
Society the fee would have been:-

<u>HULL</u>	<u>MACHINERY</u>
First Entry: £2. 0. 0.	£1. 0. 0.
Special Survey: <u>24. 0. 0.</u>	<u>10. 13. 0.</u>
£26. 0. 0.	£11. 13. 0.

It is submitted that a fee of £20 should be
charged for the Hull Survey, and £10 for the Machinery Survey
for the classification of the vessel in this Society's
Register Book.

APRA *FRB* 5. 1. 20.
