Wm. Bennett Esq.,

To: ~~The Surveyor(s)~~ at **NEW YORK.**

Date: 28th September, 1944.

Vessel's Name: "GARGOYLE".

Question: I shall be glad if you will ascertain and let me know what arrangements are proposed to be made to carry out the General Examination or maintenance of class which requires to be held by the end of November next.

You will observe that the Screwshaft Survey became due at the end of June last and the Boiler Survey also becomes due at the end of November next.

Answer:

Date: November 10, 1944. *R. J.*

The Socony-Vacuum Oil Company advises that they are no longer Principal Sub-Agent for the War Emergency Tankers Inc. in this case, and that the vessel has been turned over to the Maritime Commission and renamed "ARETHUSA". I attach a copy of a communication dated the 8th instant received from the War Shipping Administration which is the only information available at this time.
