Dear Sir,

s.s. "CRANLEY"

The Committee have today had before them the case of this ship together with a communication received from the Belfast Surveyors that she was to leave that port on the 13th instant in tow for Dublin.

A notation of "Laid up Pending Survey" appears against the vessel's name in the Register Book, and as it is concluded she has now reached your port the Committee have decided not to deal with her class pending the receipt of further information as they feel that the "Laid up" notation still reflects the true position.

No certificate was of course issued by this Society for the voyage.

I shall, however, be obliged if you will enquire of the new Owners and let me know whether it is proposed to break the vessel up or to carry out the necessary survey and repairs for maintenance of class.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
BELFAST.
