15th December, 1932.

Dear Sirs,

I have to acknowledge the receipt of Mr. Stocks' letter of the 13th instant and verification of marking form in respect of the steamer "PENRHYN" and may say that particulars of the alterations effected have been inserted in the freeboard report.

I think it well to add that the Freeboard certificates in this case were forwarded by hand to the Owner's representative in this City, as desired.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

LONDON.
