Dear Mr. Daniel,

Your letter to hand enquiring regarding the S.S. "PENRHYN", O.N.14752 and the load line certificate dated February, 1901. I cannot find any record of any vessel bearing that Official Number or a certificate of that date. If however the vessel intended is the "PENRHYN", O.N.101755 built at Bowling in 1895 (No. 337 in our Register Book), we assigned freeboards on the 1st March, 1901, and issued a certificate dated 19th of that month. We have not since received any application for revision and have not assigned or approved any smaller freeboard than that given on the certificate referred to.

Yours faithfully,

Geo. R. Mares
