S.S. "WAR AVON".

I confirm telephonic message of to-day also telephonic conversation of the 28th instant.

When may I expect the Load Line Certificate and the Classification Certificate of above vessel, because as advised you until these documents are to hand it is impossible for the new Owners to have her registered with the Belgian Consul.

I shall be very pleased if you will let me have these documents without delay.

This steamer certainly has some repairs to do but she is ready loaded and will be able to proceed immediately these repairs are finished.

I am, Sir,  
Your obedient Servant,

*Edward Shaw*  
Director of Ship Management Branch.
