30th January, 1919.

Dear Mr. Mayne, S.S. "INDEPENDANCE".

I am much obliged for your letter of the 28th inst. and note what you say. Mr. Meek is absent at the Coast to-day, but so far as I can see it will be quite possible to complete the first entry reports and send them forward next Tuesday, the subsequent damage remaining to be dealt with in a later report.

The freeboard certificates were sent to the Builders on the 25th inst. and the anchor and chain certificates on the 23rd of December.

Yours faithfully,

P. L. Warlow.

F.A. Mayne, Esq.,

LONDON.
