27th January, 1919.

Sir,

I beg to confirm the following telegrams which
have passed between us to-day:-

RECEIVED.

"WAR AVON" certificates urgently required
"for Belgian authorities by new Owners
"Neptunus Societe Darmement, Michel Smith
"and Company. Wire fully immediately
"how case stands and whether reports
"received from Surveyors."

SENT.

"WAR AVON" now "INDEPENDANCE", vessel
"completed but reports withheld owing
"to damage sustained in dock repair
"of which will probably take about a
"fortnight."

I think it well to explain that after completion
this vessel was damaged whilst being moved in the dock at
Ardrossan, and the necessary repairs are now being carried out.

I am, Sir,

Your obedient Servant,

P. L. Warlow

Secretary to the
Glasgow Committee.

The Secretary,
LONDON.
