

Lloyd's Register of Shipping.

201, Tower Building,

Liverpool, 7th October, 1929

Dear Sir,

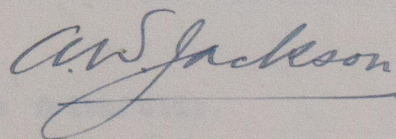

S.S. "SOUND FISHER"

Arrangements were made with the Agents at Garston for them to let the office know when the above vessel would be in a condition to allow of the freeboard being verified, but the vessel sailed Saturday without any arrangement being made.

The Owners have been notified that the freeboard still remains to be verified before the issue of new certificates can be made.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LIVERPOOL.
