

m.v. "MUDO" (No.11321 in the Register Book)

Dimensions:-

111.55 x 21.65 x 8.71

This vessel was built in 1930 by Messrs. N.V. Schiffswerft "Foxhol", Holland, and classed with Germanischer Lloyd +100 A/4 K. A plan of the midship section, profile and decks, has now been approved in the Rotterdam Office for the class 100A- "Coasting Service - with limits to be defined".

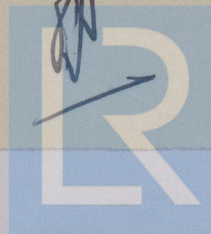

Mr. Lodder has given particulars of the equipment which should be supplied to entitle the vessel to the figure "1".

The scantlings and arrangements have been examined generally and found to be in order for the above class.
