(State if examined.)

Doubling Plates under Sounding Pipes

General Observations, Opinion as to Class, Recommendation, &c.:

State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent on the survey, thus, for example:—"to remain as classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of survey, 1,38, and the notations of ss No. 1-38."

This vessel so far as now seen, is in an efficient condition, & eligible in my opinion to remain as classed in the Register Book with fresh record of survey 2,42 subject to beiling being fitted at first opportunity. (Bower anchor and 45 fms. cable to supply.)
