

**COPY.**

24th May, 1949.

Dear Sir,

H. I have to acquaint you that to complete the Boiler Survey which became due on the Steamer "STAL" at the end of November last, and to entitle the vessel to a record of BS 2,49, the port boiler remains to be examined.

The Owners have informed the Copenhagen Surveyors that the vessel is expected at yourport about the 3rd proximo when the inspection in question will be completed, and I shall therefore be glad if you will give the case the necessary attention.

Yours faithfully,

Clerk to the  
Classification Committee.

C.R. Maplestone, Esq.,

ALEXANDRIA.
