

Dear Sirs,

WOKINGHAM COPY. 7.

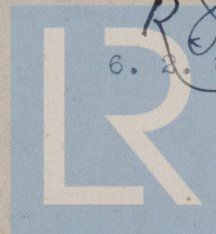

s.s. "MARISO"

The Post Office telephoned to say that the number in the Register Book quoted in the cablegram of the 3rd instant in this case was being queried at the New York end.

Reference to the papers showed that this should have been quoted as 78302 and, in the circumstances, I telephoned a cable to the Commercial Cable Co. reading as follows:-

LLOYDS REGISTER NEWYORK

REFERENCE MY CABLE THIRD INSTANT FOR 78308 SHOULD ~~BE~~ 78302.
