Dear Sir,

I am in receipt of your letter of the 15th instant regarding the steamer "MARISO" and with regard thereto, I have to state that it is considered that the condition of the vessel and the bunkers externally is such that in my opinion ~~that~~ a notation of "Examined 11,42" valid for 12 months can be assigned.

The insulated spaces for the carriage of refrigerated produce had the insulation removed (i.e. Nos. 4 & 5 holds and tween decks) also the fans, but the refrigerating machinery is still on board.

I am, Dear Sir,
Yours faithfully,

The Secretary,
WOKINGHAM.
