

WOKINGHAM COPY.

Enclosure

22nd December, 1942.

Dear Sir,

I duly received your letter of the 10th instant respecting the steamer "MARISO", and have forwarded to the Owners' Agents in London, the special report regarding the quantity of coal etc. on board the ship.

With regard to the question of the fees, as the vessel is now under survey at Leith, it is not proposed to send any account to the Owners until the Leith Surveyors' report comes to hand, when a debit note will be sent from the London Office, which will include the following amounts due to your port:-

Part Survey of Hull ..	£100.0.0.
Boilers etc. ..	£ 35.0.0.

I would take this opportunity to return the First Entry Report for your signature and shall be obliged if you will forward this report to the C.S.S. Dept. Glasgow, to whom the other papers are being sent for the consideration of the plans.

I am, Dear Sir,
Yours faithfully,

H. McQueen, Esq.,
