

WOKINGHAM COPY.

Dear Sir,

8th December, 1942.

I duly received your letter of the 30th ultimo regarding the steamer "MARISO" and note your remarks.

As regards the fee chargeable for full classification, this should be assessed at approximately 35% of the fee chargeable for the survey during construction, which, in this case, would amount to £140 for the hull.

With reference to the machinery, there are no data at present on which to compute the fee but this should be worked out at 35% of the Rule fee for the survey of new machinery plus 35% of the fee for a new electrical installation.

I may add that a copy of this letter is being sent to the Society's Surveyors at Leith.

I am, Dear Sir,
Yours faithfully,

Copy sent Lth

Clerk to the
Classification Committee.

H. McQueen, Esq.
DUNDEE.
