19 & 20, Prudential Buildings,  
Albert Square,

Dundee, 30th November, 1942.

Dear Sir,

"MARISO" (No.78302 in Register Book).

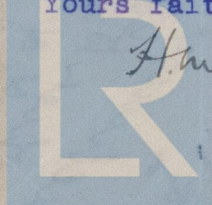

The above vessel has been under survey at this port with a view to the transfer of classification to this Society. The vessel is proceeding to Leith for drydocking where it is stated the S.S. No.3 will be completed with the exception of examination of bunkers. The first entry report has also been completed at this time. I shall be glad to know on what basis the fee should be charged for both Hull and Machinery.

The Owners desire to maintain the existing Dutch freeboard.

I am, Dear Sir,  
Yours faithfully,

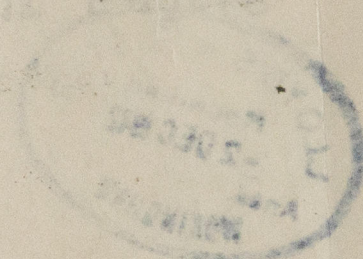

*H.M. Queen*

The Secretary,
