Deck Sheerstrake as approved.

The downton pump has been dispensed with as approved in Standard vessels. The vessel is now owned by the Oceanic Steam Navigation Co. and it is concluded the new Owners are agreeable to fit the pump at the termination of the War if requested to do so.

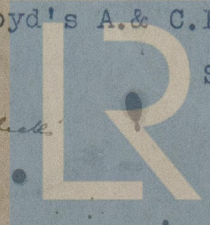

This vessel appears to have been built in accordance with the Rules and the approved plans, and it is submitted she is eligible to be classed 100 A.1. Steel "Shelter Dk." with freeboard," as recommended. The Summer freeboard of 11.1½ from centre of disc to top of statutory deck line at Shelter deck, now marked on the vessel's sides, to be inserted in the classification certificate, and recorded in the Register Book, and further, the remaining freeboards, as shown on the accompanying verification form to be inserted in the certificate of classification.

2 Dks.(Steel) and Shelter Dk. (Steel).
