Dear Sirs,

With reference to your First Entry Report No.10113  
D.O. on the Motorship "AUGUSTUS" in which you state that various  
plans of the vessel as built are being forwarded under separate  
cover, I have to point out that these plans have not come to  
hand, and I shall therefore be glad if you will arrange for  
these plans to be forwarded as soon as possible in order that  
the classification certificate may be prepared.

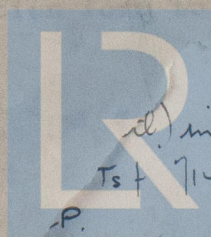

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

Genoa.
