BOIS ROSE"

1st March, 1940.

Dear Sirs,

M. With reference to Mr. Richardson's telephone message of to-day regarding Messrs. Hall, Russell & Co's Yard No. 751, intimating that the Owners propose to place this vessel in service and fit the windlass when delivery is obtained, I have to inform you that this proposal can be agreed to, provided alternative arrangements, similar to those approved in the cases of Messrs. Hall, Russell & Co's Nos. 706 and 707 at the end of June, 1929, be adopted so as to ensure the efficiency of the mooring arrangements meantime.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ABERDEEN.
