Dear Sir,

Messrs. Hall, Russell & Co's No. 751 - Plan
of Amended Midship Section.

I enclose herewith a copy of a letter which has been received from the Builders with reference to the fitting of "Aranbee" composition in place of pitch pine decks in the above vessel. This appears to be in order with the exception of the fitting of the "Aranbee" on top of the upper bridge house.

As this would be exposed to the weather, I shall be glad if you will kindly let me know whether this proposal may be agreed to.

The above plan is also enclosed.

I am, Dear Sir,

Yours faithfully,

Wm. H. Roberts
Local Secretary.

The Secretary,
