YORK PLACE,

CSMcL/NT.

ABERDEEN.

3rd August, 1939.

The Surveyors,
Lloyd's Register of Shipping,
18 $\frac{1}{2}$, Regent Quay,
ABERDEEN.

Dear Sirs,

New Steam Trawler, Our No. 751.

We refer to our letter of the 31st March with which we submitted constructional drawings of this trawler for approval. These drawings showed the floors of the accommodation spaces on the Lower and Upper Bridge sheathed with 5" x 2 $\frac{1}{2}$ " pitch pine, also the top of the Upper Bridge House laid with a 5" x 2 $\frac{1}{2}$ " pitch pine deck. It is now proposed to fit instead, in the accommodation spaces of the Lower Bridge and Upper Bridge, decks of "Aranbee" composition covered with "Korkoid", also to plate the top of the Upper Bridge House and cover it with "Aranbee" composition.

We enclose with this, a drawing of the Midship Section, Register No. 4044 on which we have indicated in black the alterations now proposed, and request your approval.

Yours faithfully,
For HALL, RUSSELL & CO.LD.,
(sgd). C.S. McLAY.
