To the Surveyors at GENOA

Name, s.s "BONZO".

QUESTION.	ANSWER.
<p>With reference to your letter of the 10th August last, I am glad to learn what arrangements you have made for the rudder head reduced and the Screwshaft examined and verified.</p> <p>I shall also be glad to know whether the Owner intends to make Continuous Survey arrangements for all Engines.</p>	<p>Date:— 5th February 1936.</p> <p><u>s.s. "B O N Z O "</u></p> <p>The Owner states that this vessel will be placed in Dry Dock at the end of next month when the Screw Shaft will be drawn in for examination and verification. At the same time the Rudder Head will be reduced (Please see our letter of 27th ultimo).</p> <p>Further the Owner desires to adopt the Continuous Survey arrangement for the Oil Engines and will open up some parts of machinery at the same time as the vessel is dry docked.</p>
