Reference

Dear Sir,

M.S. "BONZO"

With reference to the penultimate paragraph in your letter E of 27th ultimo having reference to the machinery plans submitted in connection with the proposed classification of the above vessel with this Society, we beg to inform you that the working pressure of the starting air receivers is of 75 atmospheres.

We enclose herewith a plan in triplicate of the four starting air receivers of the main engines, which is submitted for consideration, and have to point out that <sup>the</sup> starting air receivers for the auxiliary engines, as shown on plan No. 57352 approved by you on 28th June, are also designed for a working pressure of 75 atmospheres.

I am, Dear Sir,

Yours faithfully,

*R. H. Sparrow*  
For the Surveyors.
