Dear Sir,

TRAWLER " TERRE NEUVE".

Enclosed please find two Reports which we had drawn up by our Surveyor at the request of the "Service des Constructions Navales de la Marine au Maroc", also copies of two certificates which have been handed to such "Service".

For the information of your Committee, we beg to report that the fees charged in this case were Frs. 1,200.00, of which Frs. 1,000.00 for the Surveyor and Frs. 200.00 for ourselves. These fees are be paid to us in due course in a "mandat administratif".

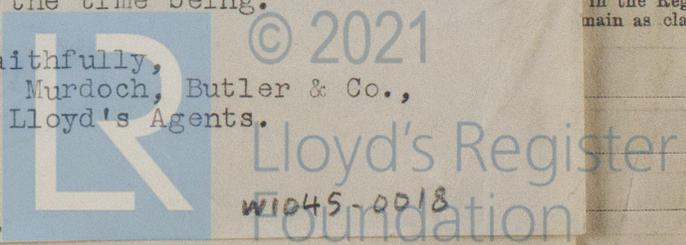

The surveys held on the "Terre Neuve" arose out of correspondence exchanged between the "Service des Constructions Navales de la Marine au Maroc" and our firm, on the 20th February, as per copy sent herewith.

With regard to the trawler "Cap Nord" which is also mentioned in the said exchange of correspondence, we would ask you kindly to note that we are informed that this vessel will shortly proceed to some French port, probably Bordeaux, with a view to the requisite surveys being held there. Our Surveyor made a cursory examination of the "Cap Nord" and in this connection has requested us to send you the enclosed Report. Such Report must not be considered in any way as official.

Both the "Terre Neuve" and the "Cap Nord" are requisitioned by the French Naval Authorities, and the latter represent the Owners for the time being.

Yours faithfully,  
(sgd). Murdoch, Butler & Co.,
