Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

10th February, 1938.

Dear Sirs,

M. I am returning under separate cover two copies of the plan, forwarded with Mr. Wray's letter of the 1st instant, of details of the centre girder and keel for Messrs. Cockerill's No. 675, and with regard thereto I have to state that provided the arrangements be carried out as shewn and amended and to your satisfaction, they will be approved.

With regard to the penultimate paragraph of Mr. Wray's letter, I have to inform you that in view of the depth of the centre girder in the engine room, no exception need be taken to the manholes in question, but it is considered that these should be fitted as high as possible.

The third copy of the plan is being retained for reference.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
ANTWERP.

Secretary.
