29th November, 1920.

Dear Mr. Thomas,

You will remember that at the beginning of the month I wrote you respecting the ex-German Steamer "IBICUHY" drawing your attention to the fact that we had some particulars of the vessel's scantlings in this Office which would no doubt be of great assistance in the event of the vessel coming up for classification when sold, and you promised you would advise me early as soon as you could get any information regarding the ultimate purchasers of the Steamer.

We have now a precisely similar case in the "KURLAND" about which I have written you officially to-day, and I shall be very glad to receive early particulars of the sale of this vessel as arranged for in the case of the "IBICUHY".

With kindest regards,
Yours faithfully,

A. T. Thomas, Esq.,
LEITH.
