Survey Due Boiler Survey due 7, 38 (partly held).
5th Special Survey No. 1 due 6, 39

Action was deferred on the 10th March last as the vessel was stated to be laid up at Antwerp.

The Antwerp Surveyors have now been informed that the vessel is still laid up, but may probably leave soon, in which case they will be advised.

Submitted that if it is desired to postpone the Survey, the Owners should be asked to arrange for the vessel to be generally examined.
