Dear Sir,

H.

With reference to your letter of the 23rd October last respecting the steamer "DIANA", I beg to acquaint you that the Boiler Survey of this vessel was partly held at Bordeaux, and that to complete the same the survey of the donkey boiler requires to be held.

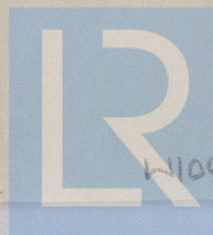

In the circumstances I shall be obliged if you will kindly let me know, for the information of the Committee, what arrangements you propose making for this matter to receive attention.

I am, Dear Sir,

Yours faithfully,

Clerk to the
