Dear Sir,

With reference to the survey now being held on the Steam ~~er~~ Trawler "ILFRACOMBE" I beg to inform you that, in consequence of the condition of this vessel's thrust shaft, and circulating pump casting it will be my duty to recommend to the Committee that the same be renewed before the end of August, 1945 provided for in the Rules, extracts from which appear on the other side:—the continuance of the vessel's character in the Society's Register Book to be subject to the fulfilment of this condition.

I am,

Yours faithfully,
