

M. V. "INDIA". Stab. Tec. Tri. N° 744.

LIST OF SPARE PARTS.

- 1 cylinder cover complete for main and 1 cover-liner for auxiliary engines with all valve seats, springs &c. fit to them.
- 1 starting air valve complete for main and aux. engines.
- 7 exhaust valves complete and 4 auxiliary seats for main engine and 2 valves complete for aux. engine and 3 additional seats.
- 7 fuel valves complete with 4 additional needle valves and 7 seats for main engine and 3 valves complete for aux. engine.
- 1 air injection valve complete for main & aux. engines.
- 1 cylinder relief valve complete for main and aux. engines.
- 1 piston complete for main and aux. engines with 4 sets of rings for main and 2 sets of rings for aux. engines.
- 8 piston cooling standard telescope tubes.
- 2 main bearings with 4 studs and nuts for main engines and one bearing with 2 studs and nuts for aux. engine.
- 2 cross head bearings and 2 crank pin bearings with their 4 bolts and nuts for main engine and 1 crank pin bearing with bolts and nuts for aux. engines.
- 1 set of coupling bolts for crank shaft and for tunnel shafting
- 6 pads for Michal thrust.
- Compressors:-
 - 1 main bearing and 1 crank pin bearing with studs or bolts and nuts.
 - 1 set of main and auxiliary rings for each size used.
 - 1 set of main engine valves and 1 set for auxiliary engines.
 - 3rd stage cooling coils for main and aux. engines.
 - 1 set of main and auxiliary bilge pump valves.
 - 1 cam of each pattern used for main and aux. engines.
 - 1 bronze propeller blade and 8 studs and nuts.
 - A quantity of assorted studs, bolts and nuts.
 - Lengths of pipe for fuel and blast delivery to the cylinder and air delivery from compressors to the receivers with unions and flanges for each.
