Dear Sir,

S. With reference to Glasgow Report No.58741 on two
boilers for Messrs.Matheson & Co., (Contract No.1700),
I may say that the Committee have today had before them
a report received from the Society's Surveyors at Hong
Kong, from which it appears that these boilers have been
satisfactorily installed in the Steamer "LIWO", which
vessel has been classed SAL, For Service on the Yangtze
River, with notations of "Carrying cargo oil, F.P. above
150°F, in deep tanks", "Lloyd's A & CP", SLMC 4,38, 2-
(W.T.) boilers, F.D., O.G.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
GLASGOW.
