Chief Ship Surveyor _____

Received from Chief Ship Surveyor _____

SHIP NAME "SABBIA". Rpt. Gen. No. 16118.

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

The class is subject to indented shell plate B. 5. from aft (s.s.) being dealt with at the first favourable opportunity, and to indented plating on port and starboard sides being dealt with at the Owners' convenience.

The Genoa Surveyors report the vessel placed in drydock and the bottom coated.

The indented plating, as above, continues efficient.

It is submitted the vessel appears worthy to remain as classed with record of survey 2.40, subject as above.
