Dear Sir,

I duly received your telegram and letter of the 30th instant regarding the Danish Steamer "MICHAEL JENSEN", and in compliance with the request of the new Managing Owners, I have today cabled instructions to the Society's Surveyors at Hong Kong for the issue of a provisional British Freeboard Certificate, and for the vessel to be generally examined with a view to the assignment of a record of "Examined L.R. with date" in the Register Book.

The cost of my message was £1.10.10d, and I shall be glad if you will kindly arrange for this amount to be collected from the Managers and credited to London account in due course.

I am, Dear Sir,  
Yours faithfully,
