Dear Sirs,

Your memo of August 19th reference steamer "Toendjoek" to hand and contents noted.

We would advise that Mr. Vrouwes has been two times in Batavia to inspect the "Toendjoek" and the reconstruction work which is now in progress is being referred to him regularly.

We also have for your acknowledgment your circular letter "E" of August 19th dealing with metal spraying. This has been noted, but so far as we are aware the local Drydock Company do not have any such machinery.

Yours very truly,

W. A. Robertson.

P.S.--Your letter of July 18th enclosing two Certificates for the S.S. "Djirak" arrived this morning and said Certificates have been forwarded to Palembang.
