I refer to your classing letter of the 2nd ultimo in connection with the steamer "TERCIO DE MONTEJURRA".

I communicated immediately to the Owners the Committee wishes respecting the Special Survey No 2 and I have now been advised that for the momento and due to contracts signed, it is impossible to stop the vessel for the survey. At the same time, the Owners appreciated the benevolence of the Committee in this case, and state that although momentarily the vessel's class would be expunged, they will reinstate the class as soon as circumstances permit.

I am, Dear Sir,

Yours faithfully
