"TERCIO DE MONTEJURRA"

The class is subject to a bower anchor and a length of chain cable being supplied.

The 2nd S.S. No. 2 became due 11.39, and in May last, action was deferred, it being stated that the vessel would be put under Survey at Bilbao at an early date.

In reply to enquiry the Bilbao Surveyors ~~then~~ write the Owners now inform them that as soon as the dry dock is available at Barcelona the vessel will be put under Survey.

The year of grace expired 11.40.

The vessel has not been examined, as regards the hull, since the date ^{of completion} of the last Special Survey, 2.37.

The case is submitted for the consideration of the Committee.
